### Searching Standards for Federal Courts:

District Courts indexed by defendant, plaintiff, and by case number. Bankruptcy Courts usually index by debtor and case number. Most case files created prior to 1999 were maintained in paper format only. Since 2006, all cases are filed electronically. Paper case files may be stored at the courthouse or forwarded to a designated Federal Records Center (see <http://archives.gov/frc>), the timeframe determined by the Court. These case files may be obtained via the Court or directly from the FRC.

Case data may be viewed PACER, the online public access program. An account is required, the fee is \$.10 per page; there is no fee if a usage does not exceed \$15.00 in a quarter. For details about PACER

see the Appendix or go to <https://www.pacer.gov> or call 800-676-6856.

The copy fee is \$.50; \$.10 if electronic document is printed from terminal. Certification fee is \$11.00 per document and \$21.00 for exemplification, if available. If a case is still available from the individual federal court, the search fee is \$30.00. If the case is at the Archives, the case can be ordered from the court. # Oklahoma Courts

Administrative Offices of the Court, 2100 N Lincoln Blvd Ste3, Oklahoma City, OK, 73105; 405-556-9300. [www.oscn.net](http://www.oscn.net)

## The Supreme Court and Appellate Courts

Oklahoma is unique – it has two courts of last resort. The Supreme Court determines all issues of a civil nature; the Oklahoma Court of Criminal Appeals decides all criminal matters. There is also an intermediate appeals court – the Court of Civil Appeals.

See <http://www.oscn.net/applications/oscn/NewDecisionsByCourt.asp> for online access to opinions from the Supreme Court, The Court of Criminal appeals, the Court of Civil appeals, for OK Attorney General opinions, and OK session laws.

## Courts and Jurisdictions

Court	Type	How Organized	Jurisdiction Highpoints
District*	General	77 Courts in 26 Districts	Felony, Misdemeanor, Civil, Small Claims, Estate, Family & Domestic Relations, Eviction, Juvenile, Probate
Municipal*	Limited	2 Courts of Record	Traffic, Ordinance
Municipal	Limited	340 Courts NOT of Record	Traffic, Ordinance

\* Profiled in this Sourcebook.

## Details on the Court Structure

The **District Court** is the trial court and hears all cases except traffic and ordinance matters. There are 77 District Courts in 26 judicial districts. The Court in Creek County has three Divisions; the Court in Seminole County has two Divisions.

Cities with populations in excess of 200,000 (Oklahoma City and Tulsa) have a criminal **Municipal Courts** of Record. Cities with less than 200,000 do not have such courts.

There is also an Oklahoma Workers' Compensation Court.

## Record Searching Facts You Need to Know

### Fees and Record Searching Tips

### Online Access for 76 of the 77

### Counties

Over 75% of the courts charge \$5.00 for a name search, \$1.00 for first copy and \$.50 each add'l. Over 90% of the courts offer a public access terminal to look up local docket data.

Online access is available from one source for all county trial courts except **Cimarron County**.

For years two primary online access systems covered all but Cimarron county. - OSCN with 13 counties and ODCR with 63 counties. Recently a Pilot Program for a new Unified Case Management System was created, with Noble County participating with its online access portal.

Recently, the ODCR system implemented a combined search included their 63 counties plus the 13 OSCN counties and **Noble County** was included as of July 1, 2014. So record searching for 76 of the 77 counties is now available at one site. See below for a full explanation of access:

#### At ODCR:

Online access is available for all county trial courts, except Cimarron, at [www1.odcr.com](http://www1.odcr.com). This site includes the 13 counties previously accessible only from [www.oscn.net](http://www.oscn.net) AND the new system for Noble County. **Note the ODCR site has a disclaimer stating that data for the ODCR counties was aggregated from ODCR and may not be complete or reliable.** Below is the description of the three levels at [www1.odcr.com](http://www1.odcr.com) (sign-up at <https://www1.odcr.com/register>).

One of the benefits of using ODCR is a choice of three different levels of service.

1) Free: Search for docket info by partial name or case number of filed date range. The site also gives the throughput dates for each county. Most counties update within 24 hours or less.

2) Advanced Subscription: For \$5.00 per month, enhanced searching procedures and results. Advanced search options include using the DOB, address, offense, and closed date range among others. There is also a case and party monitoring system.

3) Image Access Subscription for Attorneys: For \$50.00 per month, attorneys have unlimited access to court images with the ability to download and print full case filings.

# Oklahoma Recording Offices

## Organization:

77 counties, 77 recording offices. The recording officer is the County Clerk, sometimes called the Clerk and Recorder. Oklahoma is entirely in the Central Time Zone (CST).

## Types of Recorded Documents:

The County Clerk is responsible for receiving and recording all documents pertaining to real property/real estate. Many other legal documents are also recorded including Physicians' and Dentists' license, military discharges, certain court judgments, certain State and Federal tax liens and materialmens' liens.

## Searching Real estate Records:

Many Oklahoma counties will perform real estate searches by legal description. Real estate record copy fee is \$1.00 per page. Certification fee is usually \$1.00 per document.

## Searching Tax Lien Records and UCC Filing:

UCC Financing statements are filed centrally with the County Clerk of Oklahoma County, except real estate related collateral is filed at the local level. Most counties will still perform UCC searches. Use search request form UCC-4. UCC search fees vary from \$5.00 to \$10.00 per debtor name.

## Searching Tax Lien Records:

Federal tax liens on personal property of businesses are filed with the County Clerk of Oklahoma County, which is the central filing office for the state. Other federal and all state tax liens are filed with the County Clerk. Usually state and federal tax liens on personal property are filed in separate indexes, state liens on businesses or individuals usually in the real estate index. Some counties will perform tax lien searches; tax lien search fees vary.

## Online Access:

A statewide search for recorded documents and UCC filings from the centralized database available at <http://countyclerk.oklahomacounty.org/registrar-of-deeds/rod-ucc-search>. This site is managed by the Oklahoma County Clerk's Office. Search by name, instruments type, boom and page, odocument type, or legal description.
