Searching Standards for Federal Courts:

District Courts indexed by defendant, plaintiff, and by case number. Bankruptcy Courts usually index by debtor and case number. Most case files created prior to 1999 were maintained in paper format only. Since 2006, all cases are filed electronically. Paper case files may be stored at the courthouse or forwarded to a designated Federal Records Center (see <http://archives.gov/frc>), the timeframe determined by the Court. These case files may be obtained via the Court or directly from the FRC.

Case data may be viewed PACER, the online public access program. An account is required, the fee is \$.10 per page; there is no fee if a usage does not exceed \$15.00 in a quarter. For details about PACER see the Appendix or go to <https://www.pacer.gov> or call 800-676-6856.

The copy fee is \$.50; \$.10 if electronic document is printed from terminal. Certification fee is \$11.00 per document and \$21.00 for exemplification, if available. If a case is still available from the individual federal court, the search fee is \$30.00. If the case is at the Archives, the case can be ordered from the court. The fee to retrieve a paper file is \$64.00 for the first box and \$39.00 ea add'l box. Also, the public can order copies direct online from the National Archives. Copies can be delivered by mail, fax, or email. See more information, including fees, at www.archives.gov/research/court-records/55.

Details on the Court Structure

The **Circuit Courts** are the general trial courts of the Unified Judicial System (UJS). These courts have original jurisdiction in all civil and criminal cases.

Magistrate Courts operate under the authority and supervision of the Circuit Courts, and assist in processing preliminary hearings for felony cases, hear minor criminal cases, municipal ordinance violations, and hear uncontested civil and small claims cases under \$12,000. Circuit Courts also have jurisdiction over appeals from **Magistrate Court** decisions.

There are 66 counties, but 63 courts. Circuit cases for Buffalo County are handled at the Brule County Circuit Court. Circuit cases for Shannon County are handled by the Fall River County Circuit Court. Circuit cases for Todd County are handled by the Tripp County Circuit Court. The state re-aligned their circuits from 8 to 7 effective June, 2000.

Record Searching Facts You Need to Know

Fees and Record Searching Tips

In all SD counties, in person court searches must be performed by the clerk, not the public, for a \$20.00 per name fee per statute. Most clerks' offices require record requests in writing, even if in person. Written requests may be forwarded to the central location (see below). Note, when asked, the clerk will search BOTH civil and criminal for the \$20.00 fee. Also, when asked the search also includes a Civil Money Judgment search, which can be searched separately for \$4.00 per name or date range plus \$1.00 for access. Courts charge \$.20 per page for a copy.

The state's Record Search Request Form should be used, download the form at http://ujls.sd.gov/Self_Help_Center/recordsearch.aspx. Clerks are not required to respond to telephone requests.

Centralized Mail, Fax, or Email Request System

Centralized Mail Request Center for Statewide Record Searches - The UJS web page asks that all mail requests (using the above mentioned form) be directed to the Processing Center at: Spink County Clerk of Court, 210 E 7th Ave, Redfield, SD 57469, 605-472-4535, fax 605-472-4352. Spink County is not the only Processing Center, but it is the Center where current mail requests should be sent. This location can be subject to change.

Commercial Account for Ongoing Requesters for All Record Types - The State Court Administrator's Office provides a pre-paid commercial account program for ongoing requesters who have multiple searches for criminal, civil and probate records. With a commercial account, the requester may fax or email their record requests. Commercial account requests are directed to one of the Processing Centers as requests are made. To set up a commercial account, write or fax to UJS Help Desk, State Court Administrator's Office, 500 East Capitol Ave, Pierre, SD 57501, 605-773-8000, fax: 605-773-8494. Email to UJS.HelpDesk@ujls.state.sd.us.

Neither of these processing systems includes information from the Tribal Courts.

Online Access is Limited to Civil Records and Judgments

A web search is offered by the UJS for all active or completed or inactive civil money judgments from 04/19/2004 forward. See <https://ujlsjudgmentquery.sd.gov/login.aspx>. This service includes a search of both the Circuit and Magistrate Courts. Case document images are not provided. This online system does not provide probate or criminal information.

Charges for searches are \$4.00 per name or date range search. There is an additional \$1.00 charge to access the judgment docket. The system works off a pre-paid deposit using a credit card, so the system deducts from your balance. Large volume users may also choose from an unlimited monthly (\$250) or annual (\$2500) agreement. See the web page or contact the UJS

Help Desk, State Court Administrator's Office, 500 E. Capitol Avenue, Pierre, SD 57501, 605-773-8000, fax: 605-773-8494. Email to UJS.HelpDesk@ujs.state.sd.us.

Bulk data on civil money judgments filed in South Dakota dating back twenty years on active judgments and back to April 19, 2004 on inactive judgments may be obtained by contacting the State Court Administrator's Office, 500 E. Capitol Avenue, Pierre, SD 57501 with a prepaid request. Pursuant to SDCL 16-2-29.6, the cost for accessing this historical database is \$3,000.

Use of SD court records, including the UJS's Electronic Civil Money Judgment System mentioned above, is governed by SDCL 1-27-1, South Dakota's open records law, and SDCL ch. 15-15A, South Dakota's Court Records law. Pursuant to these statutes, **reselling or redistributing lists of information from this database or from the paper court records is prohibited by law as a Class 2 misdemeanor.**

South Dakota Recording Offices

- Organization:** 66 counties, 66 recording offices. The recording officer is the Register of Deeds. The 48 eastern most South Dakota counties are in the Central Time Zone (CST) and the 18 western most are in the Mountain Time Zone (MST).
- Types of Documents Recorded:** Documents recorded or filed: mortgages, deeds, plats of property, easements and right of ways, state tax liens, federal tax liens on individuals, UCCs, fictitious business name filings, mechanics liens, birth, death, and marriage, and other legal documents when presented.
- Searching Real estate Records:** Most counties will not perform real estate searches, though some will assist. Certification fee is now usually \$2.00 per seal plus copy fee. The standard copy fee is \$1.00 for the first 5 pages, then \$.20 each add'l page, but not all South Dakota counties follow this schedule.
- Searching UCC Records:** Financing statements are filed at the state level except for real estate related collateral which are filed with the Register of Deeds in the county where the real estate is located. All recording offices should perform UCC searches. All counties have access to a statewide database of UCC filings. Use search request form UCC-11. UCC search fee is usually \$10.00 or \$20.00 per debtor, \$10.00 if online. UCC copy is usually \$1.00 per page.
- Searching Tax Lien Records:** Federal tax liens on personal property of businesses are filed with the Secretary of State. Other federal and state tax liens are filed with the county Register of Deeds. Tax lien search fees and copy fees vary; rule is \$20.00 per name search by mail, \$15.00 if verbal.
- Online access:** There is no statewide system other than the state UCC system. However 20+ counties offer access to assessor data or GIS/mapping, usually via a vendor subscription.
